SUMMER 2022

Edito

Notre studio de création a imaginé une collection empreinte de délicatesse. Tulles légers brodés de fleurs, palette de nuances poudrées et dentelles d'exception.

Cette saison annonce un retour à la nature, avec des procédés innovants et des matières éco-responsables : des teintures à base de plantes et de nouvelles dentelles conçues en lin, pour un plus grand respect de la peau et de la planète.

Le vestiaire lifestyle, composé de pièces intemporelles, affirme son essence mode : costume deux pièces twisté d'un bermuda, robes fluides sous un trench structuré. Le masculin/féminin est réinventé.

La silhouette est légère, les volumes minimalistes. Chemises fluides, pantalons larges, lingerie aux découpes audacieuses : la belle saison peut commencer.

Our design studio has created a collection that portrays delicacy. Light tulle embroidered with flowers, a palette of powdery shades and exceptional laces.

This season we get back to nature, with innovative techniques and eco-responsible materials : Plant dyes and new laces made of linen, to better respect the skin and the planet.

A lifestyle wardrobe, composed of timeless pieces, asserts its sense of fashion: A twist on a two-piece suit with Bermuda shorts, flowing dresses under a structured trench coat. The masculine/feminine is reinvented.

The silhouette is light, the volumes, minimalist. Supple shirts, wide pants, lingerie with bold cutouts: the beautiful season can begin.
