PRECIOUS NIGHT

100% SILK COLLECTION

A refined and timeless material, silk is the new obsession of the season and our creative studio has designed an **exceptional sleepwear collection** to be worn day or night.

NEW COLLECTION

Precious camisoles, sexy baby dolls, or chic pyjamas: Etam's 100% silk collection comes in a multitude of weightless styles that fall against the skin with perfection.

Cream, blush, teal, or ultraviolet... an intense and bold colorama for all desires and occasions.

DIVINE NIGHTS

As a nightie or a two-piece pyjama set, silk promises elegant and comfortable nights. Already flowy and feminine, this incredibly soft natural material also has impressive thermal regulating properties to keep you warm in winter and cool in summer.

SILK DAY&NIGHT

Pyjamas have sprung from the bed in the past few seasons to become a fashion staple. Dreamy and sensual nights, an assumed and edgy style by day, silk surprises with its versatility and perfectly embodies the different facets of a woman. We dare the effortless style: a shirt tucked into jeans, a cami peeking out under an XXL blazer, a chemise paired with a soft knit.
