Winter sunshine

Get ready to escape to the sun in the middle of winter. Pack your bags, it's time for an immediate trip to Mexico with our latest Swimwear collection, brought to life by Lison Sebellin @lisonseb. What's in her suitcase? Elegant swimsuits with impeccable cuts and shimmering fabrics, designed to make you sparkle on the beach while soaking up that vitamin D.

In the shade of palm trees, scoop necks, 70s wave prints, and iridescent details take center stage on high-leg one-pieces and string bikinis in shades of black, gold, and terracotta.

Welcome to Los Cabos!

The Winter Sun collection is now available on [Etam.com](https://www.etam.com) and at our flagship store on Haussmann, 14 rue Halévy, 75009 Paris.
