Golden SUNSET

The Ramadan capsule

For Ramadan, Etam unveils an exclusive capsule collection inspired by the orange hues of sunset and the suspended moments of Iftar.

Golden Sunset offers an elegant, refined wardrobe designed for Ramadan evenings.

At the heart of this capsule are long, flowing cuts, satin fabrics, a palette of warm hues and arabesque prints.

2 or 3-piece pyjamas, caftan-style tunics, camisoles, pants, negligees and nighties make up a modest yet sophisticated wardrobe for every moment of the holy month.
