SUMMER 2026

WELCOME TO THE TENNIS CLUB

This season, Etam introduces a new Capsule Collection inspired by the iconic world of tennis and its timeless wardrobe staples.

High-support sports bras, pleated skirts, sculpting leggings and classic tees come together in a collection defined by clean, feminine lines, designed to move effortlessly with the body while delivering both comfort and precision on and off the court.

Longtime ambassadors of the brand, Caroline Garcia and Chloé Paquet front the campaign for the collection. While Caroline Garcia embraces a new chapter focused on slowing down and enjoying her pregnancy, Chloé Paquet continues to represent French tennis on the international circuit.

Blending technical performance with effortless elegance, the Tennis Club Capsule Collection reimagines tennis-inspired silhouettes through a modern, feminine lens designed to go far beyond the court.

The Tennis Club Capsule Collection, with prices starting from €12.99, is available in selected stores and on Etam.

Alongside the Tennis Club Capsule Collection, Etam unveils ACTIVE, a Sportswear Collection created for unrestricted movement without ever compromising on style.

Sports bras with varying levels of support, sculpting bodysuits, cycling shorts, leggings and V-cut tops create bold, streamlined silhouettes enhanced by graphic lines and contrasting trims. Technical fabrics and reworked cuts are designed to support every type of workout, from low-impact sessions to more intense training.

The collection also features relaxed post-workout essentials, including sweatshirts, shorts and coordinated sets inspired by an effortless sport club aesthetic.

A contemporary activewear wardrobe where performance, comfort and style move in perfect sync.
